## General Membership Benefits

As valued members, you gain the distinct benefit of becoming integral partners in our shared mission. Together, we passionately champion the cause to broaden awareness and illuminate the profound impacts of trauma on youth, fostering a culture of understanding and empathy. Furthermore, your participation allows us to collectively bridge hope in the face of crisis and promote suicide prevention, as we stand united in making a positive impact in all communities. Your membership is not just a commitment; it's an opportunity to be a driving force in creating positive change, fostering a community dedicated to healing and hope.

As a valued URC member, you gain exclusive access to a variety of benefits tailored to enhance your experience and foster meaningful connections.

- **Members-Only Facebook group:** Join our private Facebook group, exclusively for members. Connect with like-minded individuals, participate in discussions, and stay updated on exclusive opportunities within our community.
- **Monthly virtual engagement sessions:** Dive into our monthly engagement sessions where members share insights, enjoy enriched topic discussions, and engage in fun networking breakouts. Every 3rd Thursday from 6 to 7 PM, connect with the community in a vibrant virtual space.
- **Discount General Admission to annual event:** Enjoy exclusive savings with a special 50% discount (limit 2) when attending our annual open-to-the-public event hosted by Kathy James.
- **Free or discounts for hosted events:** Access valuable knowledge and training at a discounted rate for events hosted by [kathyjames.org](http://kathyjames.org) and participating partners. Elevate your skills and expertise with preferred pricing for our members.  
\*Discounts will vary on event

Above all, your membership is an opportunity to be a driving force in creating positive change and fostering a community dedicated to healing and hope for all... **We are "A community committed to bridging hope... together."**
